Scholarly Publications. Organizational Economics

BUSN13
21 slides about

• Information sources
  – Scholarly articles

• How to search for scholarly articles in some selected resources
  – Citation indexes
  – Other bibliographic/article databases

• These slides are published in the guide Business Administration, http://libguides.lub.lu.se/FEK

• To access LU databases, you must use the links provided by the library and log in with your student account
Towards a Prescriptive Theory of Dynamic Capabilities:
Connecting Strategic Choice, Learning, and Competition

Gary Pisano

Working Paper 15-146
Scholarly Articles

• are published in scholarly (academic, refereed, scientific) journals
• are written by scholars for scholars
• are signed by the author/s
• are peer reviewed by scholars within the field before accepted for publication
• can be searched for in (scholarly) bibliographic databases, including citation indexes
Research

• can also be published in other ways - in print and/or online
  – Doctoral dissertations
  – Books and book sections/chapters
  – Conference papers
• Still research but maybe not peer reviewed
  – Working papers
  – Reports

Vertical integration, appropriable rents, and the competitive contracting process

MORE than forty years have passed since Coase’s fundamental insight that transaction, coordination, and contracting costs must be considered explicitly in explaining the extent of vertical integration. Starting from the truism that profit-maximizing firms will undertake...
