Control your slide show during the presentation

The following keyboard shortcuts apply while you’re delivering your presentation in Slide Show (full-screen) mode. To enter Slide Show mode, right-click and go to showmode or press Alt+S, B.

To do this

Perform the next animation or advance to the next slide.
Perform the previous animation or return to the previous slide.
Go to slide number.
Display a blank black slide, or return to the presentation from a blank black slide.
Display a blank white slide, or return to the presentation from a blank white slide.
Stop or restart an automatic presentation.
End a presentation.
Erase on-screen annotations.
Go to the next slide, if the next slide is hidden.
Set new timings while rehearsing.
Re-record slide narration and timing
Return to the first slide.
Change the pointer to a pen.
Change the pointer to an arrow.
Change the pointer to an eraser
Show or hide ink markup
Hide the pointer and navigation button immediately.
Hide the pointer and navigation button in 15 seconds.
